US-3.2 — Show time-aware shuttle schedule information #24
Personas: Emily Nguyen (new student), Liam Dubois (young staff), Sofia Lopez (graduate student), Alexia Martin (student with mobility disability), Jordan Lee (staff with colorblindness)

- Given shuttle schedule data exists, when the user opens shuttle info, then the app displays upcoming shuttle departure times relevant to the current time.
- The app clearly indicates the "next departure" for each campus (SGW and Loyola) based on current time.
